American Association of Hospital Accountants
The Genesee Hospital
Rochester 7, New York

Dear Fred:

We are very happy and proud to enclose our petition for a charter for the Mississippi chapter of the American Association of Hospital Accountants, along with a copy of the proposal constitution and by-laws. I sincerely hope everything is found to be in proper order. It took a long time to get it going but I believe the effort was well worth while.

As you notice, we have not yet elected the four Directors but are planning on doing this at a later meeting when we can drum up a few more members. Now that we have a Secretary for the chapter, I would appreciate your directing all correspondence to her. It is not that I don't want to hear from you but I want her to have something to do. In the meantime, I will keep in touch with you and if there is anything I can do to help, be certain to call on me.

As ever,

Charles W. Flynn,
Executive Secretary
